Half-Way Home Giving Programs

Thousands of animals rely on the Thunder Bay & District Humane Society every year to give them a second chance at life. Can our animals rely on you to make a donation to the Half-Way Home Appeal through one of our giving programs?

Join our 101 Donations Club as a Kennel or Crate Sponsor

We are seeking 101 donors to sponsor individual kennel or crate spaces for a minimum contribution of \$101 per unit per year. Sponsorship of a kennel or crate may cover a number of dogs or cats during their stay with us at the Thunder Bay & District Humane Society.

As a kennel or crate sponsor, you will receive regular bulletins letting you know about the occupants of the sponsored kennels or crates. Hopefully, you will gain much pleasure from learning about the dogs and cats you have helped. We will also send you a complimentary car sticker that recognizes you as a member of our 101 Donations Club.

Leave a Legacy Paw Print

Make a legacy gift to our Half-way Home Appeal in memory or in honour of that special person or pet that has made a difference in your life. Your special gift will be acknowledged with a paw plaque on our Animal Legacy Society recognition wall, on our website and a letter will be sent to your designee.

Make a Tribute Gift

Rather than buying a gift, make a donation to our Half-Way Home Appeal to acknowledge a beloved person, anniversary, birthday or any special occasion. The honoree will receive a letter acknowledging your kindness and you will feel good knowing you've helped abandoned animals.

Share Your Appreciated Securities

You can give a gift of securities now, or arrange a legacy for the Thunder Bay & District Humane Society by gifting stock, an insurance policy or annuity or by naming us as a beneficiary in your will or trust.

Tax-smart gift planning can help you to increase tax protection within your financial or estate plans. If you are thinking about giving now, we encourage you to fill out our Donation of Securities form and either mail or fax it to us! or go on-line.
